WITHHOLDS RECOGNITION.

(By Federal Wireless Telegraph.) WASHINGTON, February 24.—(Spe cial to The Advertiser)-The United States government will withhold offi-cial recognition of Provisional President Huerta's government of Mexico until blame for the killing of the former President and Vice-President is fixed and the offenders punished. This stand by Americans will make it dimcult for the new regime to borrow money.

Ambassador Wilson telegraphed today that members of the Huerta government reiterate their claims that Madero and Suarez were slain while attempting to escape and denying that any conspiracy for their death existed. He said both Madero and Suarez would be given military funerals,

WILSON SEEMS CONVINCED.

(By Federal Wireless Telegraph.) CITY OF MEXICO, February (Special to The Advertiser) - Ambassador Wilson accepts Huerta's version of the killing as correct. In a statement here today Wilson said:

"As nearly as I can learn at present, Madero's and Suarez's deaths were the result of an attempt to rescue them while they were being transferred from the palace to the penitentiary. They were ordered there for safety and until the passions of the hour had passed, Whatever may or may not have been the circumstances of their death it has not affected the situation in Mexico

Huerta and his cabinet were in conference all last night. It was officially stated early today that reports showed that several States threatening rebellion are already tiring of this stand. Even General Zapata, it was said, has made appeals to Huerta to end his rebellion. Government officials say Zapata will be shot to death in the event of his
